## PTA Matters – July 2019

---

### **PTA Bingo Beats Night**

We are proud to announce that the recent Bingo Beats night was a huge success and a great night out for everyone involved. We raised funds for PTA and a range of clubs and codes which we will report on in more detail next month. The 250+ attendees were entertained by the Bingo Beats crew and an amazing DJ who provided the tunes for dancing until late. Huge thanks to Ollie Webb and his team of students for the amazing catering, and thank you to our corporate sponsors and to everyone who attended and/or helped to make the event a such a success.

### **Pastoral Care, St Marys Quiz Night and dinner finally provided to Race Night Winners**

On Service Day this year a crew of students helped to make dinners which enable the school to provide pastoral care when it is needed. We also had students helping to provide a sumptuous dinner to winners from our 2018 Race Night event, and we supplied food service staff for the St Marys Quiz Night recently. Here are pictures of some of our PTA volunteers in action:
